Wisdom Sutra

In August 2022, we released four exciting and informative animated explainer videos under the 'Wisdom Sutras' series, where Rajiv Malhotra explains the core concepts and key ideas of his books.

Itihasa is More than just History

In this episode of Wisdom Sutra, Rajiv Malhotra provides a clear analysis of how Western History differs from Dharmic Itihasa. He discusses how history lacks a

strong foundation like the Vedas and in turn is prone to distortions from historians promoting their own ideological positions including feminism, postmodernism and other political views. He explains the danger of using the methodologies of history in studying our Itihasa. [Video.](#)

Mythology is not Itihasa

In this episode of Wisdom Sutra, Rajiv Malhotra provides a precise analysis of how mythology differs from Dharmic Itihasa. Itihisas and Puranas contain historical facts but are neither merely books of history, nor tales of fantasy (myth). He explains how the propensity of experts to decouple Itihasa from its strong Vedic foundation leads to distortions and often undesirable outcomes. [Video.](#)

Hindu Good News

In this episode, Rajiv Malhotra offers a Hindu solution to the philosophical and spiritual problems presented by Abrahamic religions. Are you a born sinner or born divine? Do you go to heaven/hell or is there moksha? Is conversion a solution or a problem?

Christian Yoga Digests Hindu Metaphysics

In this episode, Rajiv Malhotra discusses whether yoga can or should be decoupled from its Hindu roots. Christian Yoga is a shining example of the commodification and digestion of Hindu metaphysics. Rajiv Malhotra explains how various aspects including the mantras of Yoga are altered to suit Christian beliefs. Christian yoga is, he says, a dual strategy: as a defense, it stops westerners from abandoning Christianity and as an offense, it converts Hindus. [Video.](#)
